WHY ADVERTISE WITH RFR

Rotting Flesh Radio is the First and Only Weekly Show dedicated to the Haunted Attraction Industry, its Vendors, Products, Events, Conventions and more. Each week the show is full of Weekly Industry News, Special Guests, How-Tos, New Products, and Prizes. The advatange to advertising with RFR is that in the ever growing world of technology, RFR's show is able to go beyond just the internet. Haunters, Haunt Owners and Vendors play the show in their work areas, use it to excite their actors and team and our listners can put the show on their MP3 players, play it on their computer, stream it from the web, or put it on a CD. This takes your Products, Haunt, or Event beyond the web and availble for all to hear, enjoy, share, at anytime, anywhere. And the best part is each RFR show is available on the internet 24/7 making it easy to obtain from the RFR webpage, iTunes, and many other affiliates carrying the RFR show.

With the added advantage of the website banner, you save in the combo package and gain visual exposure to compliment your RFR weekly show presence.
